2005 Monthly Program Schedule

Week #1

The Wonderful Water Cycle:

*Travel along the Incredible Journey that
Water takes
when changing from one form to another on
our earth.*

Week #2

Water ABC'S:

*Learn how precious and vital water is to
us and just about every other living and
non-living thing on this earth!*

Week #3

Every Drop Counts:

*See why now, more than ever, it is so
important to use one of our most vital
resources wisely.*

Week #4

Water, Power & More:

*Learn the history, functions and
importance of Folsom dam and how the
water in the American River is managed
and used in different ways affecting our
everyday lives.*

app program length = 45 to 60 minutes
(depending on children's ages)
